EXPERIENCE

Valley Baseball League – Purcellville Cannons

June 2025 – Present

Broadcast Intern

- Provide play by play and color commentary for all Purcellville Cannons' home games (streamed on YouTube)
- Assist with event coordination, live broadcast production and engineering

Crimson Tide Productions (CTP)

October 2022 - Present

CTP Camera Operator (October 2022 - Present)

- Provide skilled camera operation across 5 campus venues for television broadcasts for baseball, basketball, football, gymnastics, soccer, softball and volleyball
- Selected as 1 of 9 big screen camera operators at home football games
- Extensive experience running camera for the SEC Network and various ESPN networks (ESPN, ESPN2, ESPN+)

CTP Engineering Team – Broadcast Engineer (January 2023 - Present)

- Work effectively and efficiently as part of a 4-person on-call crew
- Construct and deconstruct production cameras and assemble all equipment necessary for production of live collegiate sporting events
- Quickly diagnose and resolve technical issues as they arise, including connectivity failures, loss of audio and audio bugs

On-Air Team Member (January 2025 - Present)

- Conduct, record, edit, and publish postgame and pregame press conferences for Alabama Athletics
- Work efficiently in Adobe Premiere Pro when editing press conferences
- Conduct interviews and edit them into packages using Premier Pro

WVUA-FM 90.7 The Capstone

August 2023 – May 2025

4th & Goal Podcast Co-host (August 2023 - December 2023)

- Collaborated on a 4-person weekly podcast focused on NCAA football
- Required interpreting data in real time for response and rebuttal with co-hosts

Student Section: Fantasy Sports Co-host (August 2023 – May 2025)

- Co-host on weekly live radio show featuring fantasy football
- Research and analyze fantasy football data prior to the live show in preparation for show segments: Top Performers, Biggest Surprises, Biggest Bust, Thursday Night Football Score Predictions Panic or Pause, Must Starts and Must Sits
- Contribute content to the show's Instagram account
- Suggest innovative content to continue the show in the off-season

Valley Baseball League - Strasburg Express

May 2024 - August 2024

Media Intern (May 2024 - August 2024)

- Contributing member of 3-person media team at home games; solely responsible for Twitter/X feed during home games
- Utilized Twitter/X to provide fan base with real time key play updates, player substitutions and live scoring
- Composed recaps including player stats for home games for publication on team's Facebook page
- Alternated as the play-by-play commentator for live stream on YouTube and Facebook

Other Related Experience

- May - June 2022: Contributing writer for LoCo Sports (the premier news source for high school athletics in Loudoun County, VA)
- November 2019 – June 2022: Provided play-by-play and color commentary for Freedom High School's sports radio club. Commentated basketball and football on both radio and video feed via NFHS (the leader in streaming Live and On Demand high school sports partnered with the National Federation of State High School Associations)
- December 2019: Maintained a personal blog featuring NFL and NBA team previews

FREELANCE WORK

- 2025: Worked as a freelance camera operator for a Mississippi State vs. Texas football game, an Alabama high school football game, and the Conference USA Football Championship
- 2026: Worked as a freelance camera operator for a Troy vs. Akron men's basketball game
